

**Dear Hubbell Families:**

It's hard to believe the school year is ending and another great year at Hubbell is almost over. It is our hope that this summer you are able to spend some time with your child(ren) exploring and learning together with our Summer Learning Program. The activities are fun and easy to do, and they focus on four key areas: Reading, Math, IB, and Fitness. NEW this year, we are adding keyboard skills as a bonus activity to practice.

**All students who participate in the Summer Learning Program and submit their forms by September 8 will be invited to a special Ice Cream Social at school in the fall!**

To participate, please do the following:

- Fitness Challenge.
- Reading Challenge. 3 options. You choose the ONE you like best!
- Math practice.
- IB Student interest project. 2 options. You choose the ONE you like best!
- BONUS: Practice keyboard skills! In the digital age, it's helpful for students to learn the keyboard.

Each of these components is described in this packet.

**All forms and materials can be submitted electronically any time on or before Sept. 9 to [strollfit@gmail.com](mailto:strollfit@gmail.com), or printed and placed in the PTA mailbox in the Hubbell office.**

Special thanks to the Hubbell Staff, especially Mrs. Belt, Hubbell PTA, the Des Moines Public Library, and Ernest and Young, LLP, who provides treat bags for our celebration.

## Summer Fitness Challenge

There are all sorts of fun and healthy things to do this summer. The goal of this program is to improve your physical fitness and also to get you to try a few new things. Selecting a variety of activities will help you improve each of the three main components of fitness: strength, endurance, and flexibility. The most important thing is to enjoy what you are doing!

To get started, pick some activities and talk to a parent, guardian, or caretaker about what you have selected. Aim for at least 30 minutes of exercise each day – an hour is even better. You don't have to do it all at once – for example, you can break the time into 15-minute sessions.

Please keep your fitness log for at least 30 days out of the summer. Choose any 30 days and log your exercise on those days. That doesn't mean you should ONLY exercise for 30 days, but you only need to write down your activity for 30 days. **Before you turn in your log, make sure to sign it and have your parent / guardian sign it as well.**

**Here's a list to help get you started:**

**Aerobics**

**Baseball**

**Basketball**

**Bicycling**

**Bowling**

**Dancing**

**Four Square**

**Gardening**

**Golf**

**Gymnastics**

**Hiking**

**Hopscotch**

**Hula-hooping**

**Jump Rope**

**Martial Arts**

**Mountain Biking**

**Rock Climbing**

**Running**

**Skateboarding**

**Skating**

**Soccer**

**Softball**

**Roller Skating**

**Swimming**

**Tag**

**Tennis**

**Volleyball**

**Walking**

**Yoga**

**You Pick!**

## SUMMER FITNESS LOG

Log the number of minutes you exercise every day for 30 days. Can be any 30 days of summer. See the list for ideas!

## Summer Reading Challenge – 3 Options (Choose 1)

**Option 1:** Track your reading for 4 weeks. Set a goal to read for at least 20 minutes every day. Use the chart to keep track of your minutes and have your parent, guardian, or caretaker sign below. And yes, reading with your grown-up /caretaker counts!

**Option 2:** Participate in the Des Moines Public Library's Summer Reading Program. The program runs from June 6 to August 6. You can register any time after June 5<sup>th</sup>. Go to any library branch to sign up. <https://www.dmpl.org/attend/featured-programs/summer-reading>

## All Summer Long 2022

All Summer Long returns this summer to the Des Moines Public Library! The library's annual summer reading program begins on Monday, June 6.

Registration begins that day at each of our six library locations, as well as right here on the All Summer Long page. When you register for All Summer Long, you'll immediately receive a free book!

Work your way through our challenge program by reading for 20 minutes or completing various learning activities. Once the challenge is complete, turn in your worksheet and you'll get a small prize and be eligible for the big prizes in our end-of-summer drawing.

There are two different categories this year: one for kids up through 5th grade, and one for kids in 6th-12th grades.

Sign up beginning June 6 at your favorite library location or right here on the All Summer Long page.

**Option 3:** Choose 3 books to read from the 2021-2022 Battle of the Books list attached. Then fill out one book report graphic organizer (attached) for each book. The B.O.B. books are best suited for students in grades 3 – 5.

**Battle of the Books 2021 – 22 Reading list\***

<b>Title</b>	<b>Author</b>	<b>Genre</b>
The Amelia Six: An Amelia Earhart Mystery	Kristin Gray	Mystery

**Make a Connection**

When I read this book, I made a connection to...

- a.) another book or story
- b.) something that happened to me or someone I know
- c.) the world

**Please explain:**

**I would or would not recommend this book because (please explain here)**

### Practice Your Math Skills!

**Study your math facts.** Log 90 minutes of math learning using the websites provided or practicing with flashcards or even store bought workbooks. [www.sumdog.com](http://www.sumdog.com) allows you to set up a free student account and the activities are geared toward your personal math abilities. Explore some other math websites. Hubbell teachers recommend the following math websites [multiplication.com](http://multiplication.com); [www.freckle.com](http://www.freckle.com); [www.mathplayground.com](http://www.mathplayground.com); [www.Xtramath.org](http://www.Xtramath.org); [www.prodigy.com](http://www.prodigy.com); [www.coolmath-games.com](http://www.coolmath-games.com); [www.sheppardsoftware.com/math.htm](http://www.sheppardsoftware.com/math.htm); <https://www.khanacademy.org/math>

Activity or Website	Date	Total Time

## IB Summer Learning Program: Wondering and Exploring

### **IB Option 1:**

- Choose any topic to explore. Research with books, articles, the internet, experiences, or even community experts!
- Then organize your learning in any way you'd like (a few ideas are PowerPoint, written report, original artwork, podcast, video, etc.).
- Turn in your final product at the beginning of the 2021 – 2022 school year. Send as an attachment to [strollfit@gmail.com](mailto:strollfit@gmail.com) or print a copy and submit to the PTA mailbox in the Hubbell office.

**Here are some great resources for exploring your interests!** The username and password is the same for all of these scholastic websites. username = 1737hubb; password = haea11.
